The Employer hereby recognizes the Maine Service Employees Association as the sole and exclusive bargaining agent of all of its Public Employees in the classifications set forth in an Exhibit here entitled Appendix A.

ARTICLE 2: ACCESS

ACCESS TO PREMISES

Authorized agents of the Union shall have access to the Employer's establishment during working hours for the purpose of adjusting disputes, investigating working conditions, collection of dues, and ascertaining that the Agreement is being adhered to, provided, however, that there is no interruption of the Employer's working schedule. The Union representative shall notify the Department head when entering the Employer's premises.

BULLETIN BOARDS:

The Employer shall provide a reasonably-sized bulletin board for placement in the break room at each location or at a mutually acceptable location that is accessible to all employees at each location. The bulletin board will be used exclusively for official Union notices.

ACCESS TO MEETING SPACES:

When not required for Town of York business, conference rooms or other suitable public meeting space will be available without cost for Union meetings related to the bargaining unit. Scheduling meeting rooms will occur through the normal facility scheduling process. Use of conference rooms and other meeting space will not be denied for such meetings unless rooms are unavailable when requested; however, if there is an unexpected business need for the room at the scheduled time of use, the Union agrees that Town of York business has priority and the parties shall collaborate on rescheduling the Union's use of the meeting room. After hours use will be permitted.

ARTICLE 3: ACTING CAPACITY

Acting Capacity: An employee is considered to be in an acting capacity status when the employee is assigned to substantially cover another position for a period of more than thirty (30) consecutive calendar days due to an extended vacancy in that position or the extended absence of the employee who occupies that position. An employee serving in acting capacity status is entitled to be paid at a rate of the other position or five percent (5%) higher than the employee's current rate of pay in the

employee's regular position, whichever is greater. An employee may not be placed in an acting capacity status without mutual agreement between management and the employee.

Employees will not be rotated in acting capacity for the purpose of avoiding payment of acting capacity pay. This Article will not be used in lieu of the proper processing of any request under the Job Descriptions Article or the filling of a vacancy pursuant to this Agreement.

ARTICLE 4: DISCIPLINE

Discipline may be initiated for any infraction based on just cause.

Discipline will normally be initiated in the following manner: verbal warning; written warning; suspension; and termination. Depending on the nature of the offense, discipline may be initiated at any level listed above.

No employee shall be suspended or terminated without first being given notice and an opportunity for a hearing. The employee shall be informed of the exact nature of the charge and shall be given sufficient notice of the hearing date and time to allow them an opportunity to consult legal counsel, conduct an investigation, and prepare a defense. The hearing, which shall be before the department head, or in their absence or incapacity the acting department head shall be informal in nature. The employee may be accompanied by legal counsel or a representative of the Union or Steward. The employee shall have the right to confer with their representative at any time during the hearing and shall have the right to have their representative speak on their behalf. Any disciplinary action taken against an employee shall be subject to the grievance procedure.

ARTICLE 5: DURATION

This Agreement shall be effective starting July 1, 2025, and shall remain in effect through June 30, 2027. This Agreement cannot be altered, amended, modified, or waived unless executed in writing between the parties.

Any employee who, in good faith, believes an assignment presents an imminent danger of death or serious harm may request an alternative temporary assignment in their job classification when the condition is one that a reasonable person

under the circumstances would conclude presents an imminent danger of death or serious harm to the employee and Town of York has been notified of the situation and is unable to remediate.

D. SAFETY TRAINING AND MATERIALS:

1. The Employer shall provide safety information and training as well as periodic workplace safety training concerning safety and health hazards, safe work practices, and procedures to eliminate or minimize hazards. F. SAFETY COMMITTEE: The Town of York will maintain the current Workplace Safety Committee to provide a safe and healthy environment for employees and clients. The Safety Committee will review and make recommendations to the Town of York as appropriate. The Safety Committee will be a resource where staff and the union may bring health and safety concerns. Minutes of Committee meetings may be made available to the Union, upon request.

I. WORKERS COMPENSATION All employees are covered by Workers' Compensation insurance.

ARTICLE 7: GRIEVANCE PROCEDURE

Any grievance or dispute which may arise between the parties including the application, meaning or interpretation of this Agreement, shall be settled in the following manner:

Step I. The Employee and/or their representative shall provide written notice of the grievance or dispute via email to the Employee's supervisor within ten (10) working days of the date of the grievance or within ten (10) working days after the Employee should reasonably have had knowledge of its occurrence.

In the event of a contract violation, the Union acting alone may file a grievance within ten (10) working days.

The parties shall schedule a Step I meeting to discuss the grievance in more detail. The Step I meeting shall be attended by the Employee, the Employee's representative (if the Employee so elects), and the Employee's supervisor. If a Step I meeting is held, the Employee's supervisor shall issue a written decision within ten (10) working days of the Step I meeting and provide copies of said written decision to both the Employee and the Union.

Step II. If the grievance has not been settled under Step I, within the time limit thereof, it shall be presented in writing by the Employee and/or their representative or, in case of a contract violation, by the Union to the department head, with a copy to the Town Human Resources Director within ten (10) working days after the supervisor's response was due or received whichever first occurs. The department head shall respond to the Employee and/or their representative(s) or the Union, as appropriate, in writing within ten (10) working days after receipt of the appeal.. If the grievant's immediate supervisor is also their department head, Step II shall be omitted and the grievance shall be processed under Step III within the time set forth in Step II.

Step III. If the grievance still remains unsettled, it shall be presented by the Employee and/or their representative or the Union, as appropriate, to the Employer (Town Manager or designee) in writing within ten (10) working days after the response of the department head was due or received whichever first occurs. The (Town Manager or designee) Employer shall schedule a mutually agreeable time to meet with the Union representative(s), with or without the aggrieved Employee within ten (10) working days after receipt of the appeal from Step II and make every reasonable effort to settle the grievance and respond in writing to the Employee and/or their representative or the Union, as appropriate, within ten (10) working Days.

Step IV. Mediation. If the grievant(s) and/or the Union representative is not satisfied with the written response under Step 3, they may submit, in writing, a request to mediate within ten (10) workdays of the receipt of such response or denial. The Employer will notify the union in writing within five (5) workdays of the request whether it agrees to mediate the dispute. In the event that the parties agree to

mediation, the parties will mutually agree to a mediator. In the event that the Employer declines to mediate the grievance, the union will have an additional thirty (30) workdays to request arbitration.

Step V. If the grievance still remains unsettled at the conclusion of Step III, either party may, within thirty (30) calendar days after the reply of the Employer was due or received whichever first occurs, by written notice to the other, request arbitration. Upon receipt of a request for arbitration, the parties shall attempt to agree upon an arbitrator. If unable to agree upon an arbitrator within five (5) calendar days from receipt of the request for arbitration, the arbitrator shall be selected through the American Arbitration Association ("AAA") in accordance with the AAA rules then in effect. The moving party shall request a list of arbitrators from the American Arbitration Association (AAA) within twenty (20) working days of when the request for arbitration was submitted.

The AAA will be requested to submit a list of not less than seven (7) nor more than eleven (11) names (but in all cases an odd number) of possible arbitrators. Within five (5) working days from the date of receipt of said list from AAA, the parties shall confer for the purpose of selecting an arbitrator. The parties shall select the arbitrator by alternately striking one name from the list until one name remains. The right of a party to first strike a name from the list shall be determined by lot. The arbitrator whose name remains shall be appointed. The arbitrator shall fix the time and place of the hearing, taking into consideration the convenience of the parties, and shall give at least fifteen (15) working days' notice in writing to the parties of the time and place of the hearing. The hearing shall be informal and the rules of evidence prevailing in judicial proceedings shall not be binding. Any and all documentary evidence and other data deemed relevant by the arbitrator may be received in evidence. The hearing conducted by the arbitrator shall be concluded as soon as reasonably possible and the arbitrator shall make written findings and submit a written opinion as to the issues presented, a copy of which shall be mailed or otherwise delivered to the Employer and to the Union, or to their respective attorneys. The decision of the arbitrator shall be final and binding upon both parties, it being clearly understood, however, that the arbitrator shall have no authority to add to, subtract from or modify this Collective Bargaining Agreement or to change or ignore the time limits herein set forth or to waive any informality in the grievance procedure. The arbitrator may, however, change the nature of or reduce any disciplinary action. The time limits as set forth herein are of the essence to the grievance procedure and this Agreement.

The Employer and the Union shall bear the fees and expenses of the arbitrator equally. However, each party shall be responsible for compensating its own representatives and witnesses. Should the Union or the Employer find it necessary to postpone or cancel a scheduled arbitration hearing and such cancellation or postponement results in payment of the arbitrator's fee, said fee shall be paid in its entirety by the party that requested cancellation or postponement unless they mutually agree to share such costs. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record and makes copies available without charge to the other party and to the arbitrator.

General Provisions:

The Town shall not deny any Employee MSEA-SEIU representation at any stage during the grievance procedure and MSEA-SEIU shall have the exclusive right to represent Employees in any grievance. When an Employee elects to pursue a grievance at Steps 1, 2, or 3, without representation, MSEA-SEIU shall have the right to be notified and to be present at any grievance step meeting, subject to the privacy exception below, and shall receive copies of written determinations, if any, at all stages.

If an Employee elects to pursue a grievance at Steps 1, 2, or 3 without representation and such Employee, for privacy reasons, prefers to hold any portion of a step meeting without an MSEA-SEIU representative being present, such employee may request that the MSEA-SEIU representative not be present in the meeting so long as the privacy concern exists. This privacy exception shall not inhibit any Employee's ability to have representation at any stage of the grievance process and shall not affect an MSEA-SEIU representative's ability to receive copies of written determinations, if any, at all stages.

No resolution of a grievance shall be inconsistent with the provisions of this Agreement or be made without prior review and consent of an MSEA-SEIU representative.

Working days shall be defined as calendar days exclusive of Saturdays, Sundays and Holidays.

Flexible time schedules may include, but are not limited to: an employee may reduce their hours; an employee may alter their start and end times; may work fewer days but longer hours per day to accommodate child care, their own education or other similar responsibilities. Sick days shall not be included in the calculation of hours worked for the purpose of determining overtime unless it is a call-in situation. In the event of a call-in, sick days will be used to calculate the hours beyond 40. Employees receiving compensatory time off, in lieu of being paid overtime, shall earn such time at the rate of one and one half (1 1/2) hours off for each hour worked.

With supervisor's permission, hourly employees can earn compensatory time at the rate of one and one half 1(1/2) hours off for each hour worked in excess of 40 hours of earned time.
